V1's one-two punch against false K

- 1 Punch 1:** New computer algorithm recognizes most mobile falses and excludes them, yet never blocks radar. 
- 2 Punch 2:** SAVVY, an optional module, fades all alerts encountered below your speed setting.

Privacy Policy Update:

As of May 25, 2018, new data protection laws—the General Data Protection Regulation (GDPR)—are in effect across the European Union. These laws provide EU citizens with more transparency into and control over their personal data. BMW CCA strives to keep member data safe & secure and has taken efforts to meet the GDPR requirements. As of May 24th, 2018, BMW CCA has updated its Privacy Policy to align with these new laws. For more information, please review our updated [Privacy Policy](#).
