### V1's one-two punch against false K

- 1 Punch 1:** New computer algorithm recognizes most mobile falses and excludes them, yet never blocks radar.
- 2 Punch 2:** SAVVY, an optional module, fades all alerts encountered below your speed setting.

## Free Shipping Flash Sale On Space-Saver Spare Tire Kits...

Did your BMW originally come with run-flat tires on it? That means it also came without a spare. And if you have replaced those run-flats with standard tires, and you now get a flat, well... (can you say stranded?). For one week only, our space-saver spare tire kits are shipping for free.
